Strawberries!!!

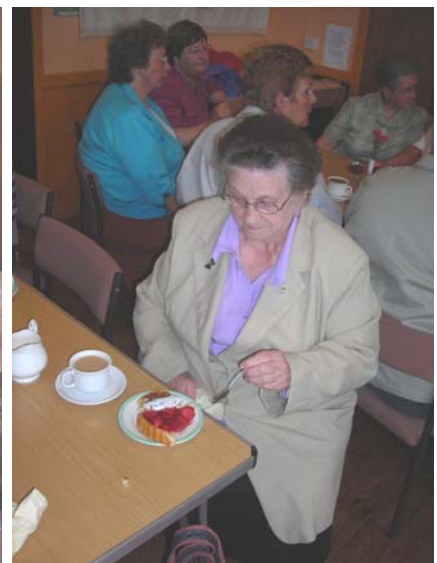

Saturday July 5th in the Church Hall in Beauly, saw, once again, examples of the enormous amount of talent there is within the group.

The sales tables and racks were laden with examples of the workmanship and imagination of the ladies who make up this organisation while the visitors to the event were spoiled for choice from the selection of cakes, tarts, cheesecakes, quiches and other such culinary creations provided to allow the inclusion of strawberries to tickle the palates.

As usual, a band of cheerful assistants were on hand to top up the supply of beverages provided by the ladies in the kitchen to accompany the purvey and help out with the ongoing conversations going on across and between the tables.

A total sum of £376.82 was realised and will be donated to the Church funds by the group.

A big thank you goes out to everyone who assisted in making the morning happen and to everyone who came along to give their support.

The happy eaters!
